Dear Sirs:

I am an 8th grader at
Nallwood Junior High in Overland
Park, Kansas. In class, we are doing
an important unit on our govern-
ment. I chose your agency because
I thought you could best explain
the following questions on the
Central Intelligence Agency.

What is the history
of the C.I.A.? Who founded it,
and when? What major jobs
does the C.I.A. do? What has
the C.I.A. done recently that was
publicized either in the news-
paper or a magazine? Finally,
what qualifications are needed
to be employed by the C.I.A.?
Of course, any pamphlets or
pictures are welcome.

If possible, please

Dec. 20th Anything you want to

will be greatly appreciated.
Thank you for your time.

Sincerely,

Jackie Morte
